Rechtsanwalt,
Attorney-at-Law (New York),
BARDEHLE PAGENBERG,
Munich (Germany)

Erik Verbraeken
Deputy General Counsel,
Valeo, Paris (France)

Drafting Workshop: Patent License Agreements

Aims and objectives

This interactive workshop has been created to increase your confidence when drafting successful patent license agreements section by section.

Our trainers will lead you through the standard problems of patent license agreement clauses. After exploring the pitfalls in complex patent license agreements, you will receive numerous tips and tricks during the drafting exercises based on practical scenarios.

Your drafting skills with regard to patent license agreements will be improved under the guidance of our highly experienced speakers and through discussions among a group of professionals.

Who should attend?

You are tasked with drafting patent license agreements and need to improve your drafting skills? Then this course is intended for you. Knowledge of patent law is required. This course is especially interesting for those working in IP, patent, legal, R&D and business development departments and in private practice as patent attorneys and attorneys-at-law.

Your speakers

Prof. Dr. Peter Chrocziel
Rechtsanwalt,
Attorney-at-Law (New York),
BARDEHLE PAGENBERG
Munich (Germany)

Peter is a German and US attorney-at-law as well as a certified licensing professional. He specialises in all aspects of intellectual property work, including patent, trademark and copyright, and related antitrust aspects. Peter has over 30 years of experience in litigation and IP arbitration. Peter is a past president of LESI and a member of IAM 250. He is the co-editor of 'International Licensing and Technology Transfer: Practice and the Law', a commentary on licensing in an international context.

Erik Verbraeken
Deputy General Counsel,
Valeo, Paris (France)

Before joining Valeo, Erik was Head of Procurement & IP Transactions EMEA of Johnson Controls and Associate Director of the Business Law and Contracts Division of IFP Energies nouvelles and Legal Counsel of Shell International.

Optional extra

Attendees opting for the course with the speaker's book will receive a copy of the licensing commentary co-edited by Peter (the main body of the loose-leaf publication with a retail price of €484).

7 November 2019, 09:00-17:00

Pitfalls to avoid in patent license agreements

- Failing to secure all necessary patent rights in the license grant
- Unspecified scope of the patent license grant (fields, affiliations, territories)
- Third party infringements: failing to secure adequate rights to enforce patent rights
- Exhaustion of patent rights - challenges
- Limiting transfer by licensee of a patent license
- Addressing treatment of sublicensee post-term
- Failing to adequately address effect of termination
- Scope of performance obligations
- FRAND problems

Case study I

- Underlying scenario: Licensing for the purpose of ending a patent dispute
- Drafting a License agreement under European/US law
- Unique license fee
- Royalties beyond life time of 'last-to-remain' patents
- Package Licenses

Case study II

- Underlying scenario: Licensing out of hybrid packages of patents and know-how
- Drafting a license agreement under European/US law
- Exclusive license
- Improvement Clause
- Package Licenses
